3. Technical

Please cancel the following phrase

~~IBF laboratory goal is to get the ISO/IEC 17025 certificate by the end of 2017.~~

from this page of the website:

The screenshot shows the website's navigation menu with 'TECHNICAL' highlighted in a red circle. A red arrow points from this menu item to the 'Laboratory' section of the page. The 'Laboratory' section contains a list of services: Chemical analysis, Mechanical testing (Tensile, Impact, Hardness), Metallographic tests, and Corrosion tests. A red line is drawn through the text 'IBF laboratory goal is to get the ISO/IEC 17025 certificate by the end of 2017.' in the 'Laboratory' section. The 'Get a Quote' form is also visible on the right side of the page.

#### 4. Catalogues

Please add

**IBF/Tubacex Group Quality Policy**  
linked to the PDF file ([Attach.08](#))

in the following page:

The screenshot shows a web browser window displaying the website <http://www.ibfgroup.it/catalog/>. The page features a navigation menu with links for ABOUT US, MARKETS & APPLICATIONS, PRODUCTS, CERTIFICATIONS, TECHNICAL, CATALOGUES, and CONTACT. The main content area is titled "IBF Catalogues" and lists several product categories: Awaji Stainless, Butt Welding Fitting & Special Components, IBF Product Information, TTA Product Information, and IBF Pipes. To the right, there is a "Get a Quote" section with a form for user information (Name, Company, Email, Phone) and a dropdown for "Select Product Category". Below the form is a "Submit" button and a "General Info" section with the text "General Inquiries - sales@ibfgroup.it". The browser's address bar and taskbar are also visible.

Best regards

Claudio Scuratti

QA Manager
